

The Abilities Connection  
Weekly Update

Happy Friday! I hope you all enjoy the pictures from this last week. We captured some employees hard at work as well as some images of people having fun out and about in Springfield. A reminder that we will be closed Monday, February 15 for President's Day. Enjoy your long weekend!

An update for all, the session with DODD leadership that was scheduled for February 15th, 2019, at 1:00pm here in our Four Seasons Room **has been postponed**. We will let you know the new day and time as soon as possible. I still ask that all attend that can and get your questions answered on the pending changes to Vocational Habilitation services. It is important that your voices be heard and we maintain Choice in Work for all.

Don't forget to get your tickets for Bowl-o-Rama on March 3rd! \$10 gets you 3 hours of bowling AND shoe rental. Contact Vickie Shaftner at 937-525-7488 to purchase today!
