

KROGER SHUTTLE SERVICE

TAC – The Abilities Connection, a non-profit organization located in Springfield, Ohio, has partnered with the City of Springfield to act as a community connector in providing access to food and groceries following the closure of the South Limestone Kroger store. TAC will provide a free shuttle service from the Kroger on South Limestone Street to the Kroger located on East Main Street beginning on March 7th, 2020.

In light of the closing of the South Limestone Street store, Kroger has committed to providing funds for transportation purposes to ensure that the community has access to food.
